Shree Meghmani Parivar and Shree Bhailalbai A. Patel (Detrojwala) Umiya Arts and Commerce College was established in 1998 by Shree Umiya KVC education trust.

The vision of the college was to provide Higher Education to girls of rural and semi-rural areas across Gujarat.

Considering the need for a Girls College, construction of hostel was the first priority, as a result the hostel was constructed. Today, Girls from 149 villages and 59 semi-rural areas are living in Hostel, who are paying very nominal fees and excellent quality wholesome food as free for them.

We call our college as a *'Temple of Light and Enlightenment'*-

In span of just Twenty years, four times we were rated as The one of the Best College of INDIA.

The college tunes to impart and enhance quality education. Various initiatives are been taken to continuously taken to improve Teaching learning process.

We focus on overall development of Girls. Their participation in Sports, External Events, NCC, NSS along with regular students is monitored closely. They are encouraged to participate in each and every activity. This has led to multifaceted development of their inner talent, intellectual capabilities and overall personality.

We have very active student parliament consisting of 42 Class-Representatives and Hostel-Representatives. We conduct a meeting on every Wednesday to discuss attendance, teaching, grievances, facilities, activities and further plans. Due to this our all activities are very successful and result oriented.

We inculcate sense of nationalism in them and make them a responsible global citizen and conscientious human being.

I hereby acknowledge the contributions of the Management, all teaching and admin staff members, our support staff, students, parents and alumni who have helped us in our efforts to impart quality education and have contributed whole heartedly.
