Annual Report

2020-21

BY

**Dr. Sangeeta Ghate
Principal**

The spread of Pandemic Covid-19 has drastically disrupted every aspect of human life including Education. This outbreak taught us that change is inevitable and also taught us to opt for platforms and techniques in teaching which have never been used so extensively before in education.

We, at **Shree Meghmani Parivar and Shree Bhailalbhai A Patel Arts and Commerce College for Girls**, took this as a challenge and made sure that no student leaves education midway because of this situation and worked to reach out to one and all of them and take care of their education and overall well-being.

The college attempts to impart quality education. Various initiatives were taken continuously to smoothen and improve Teaching-Learning process.

I am now going to touch upon some important milestone areas in which we have worked in this year, and which are as follows:

- We successfully uploaded the Self-Study Report to NAAC (Bangalore) for Assessment and Re-accreditation. I would like to make a special mention that this is for the third time that we are participating in it, although it was very challenging to complete it in pandemic situation. Here I would like congratulate the entire team consisting of the IQAC co-ordinator, Steering Committee Members and whole Umiya family for timely completion of work with full sincerity and dedication.
- This year the UGC granted 9 Skills Development Courses (4 Degree and 5 Diploma) to our college. We started 3 Diploma Courses – (i) Fashion Designing & Tailoring, (ii) GST, Tally & Accounts, and, (iii) Beauty, Wellness and Cosmetology.
- One new initiative we undertook this year was to go for Academic & Administrative Audit for academic year 2019 & 2020. A three-member committee was formed to do this and they have given recommendations and suggestions for improvement in Teaching and Learning.

- We signed MOUs with reputed Banks, NGOs, Skill Development Agencies, Corporate Houses and Academic Institutions to run Diploma Courses for students, internships, for placements and for student and faculty exchange.
- In spite of pandemic situation, we offered various Short-Term Courses to students such as - Vocal-for –Local, Foundation Course in English, Proficiency in Hindi, Proficiency in Gujarati and Young Ambassador.
- We arranged for various National & State Level webinars for students and faculty members. We had a lecture series for students on ‘Re-inventing the *Shakti* Within’; we had lectures on topics such as Recognise, Resist and Report sexual abuse, Physical Fitness & Wellness in Higher Education, Women Empowerment – our Right & Responsibility, and Importance of Nutritious Food for College Girls.
- We celebrated Various ‘Days’ such as – International Women’s Day, Youth Day, and birth anniversary of Netaji Subhashchandra Bose, National Voter’s Day and Gandhi *Nirvan Divas*.
- This year we focused on psychological counselling as one of our major activities. *Sauhard*, an NGO with whom we have tied up, gave training to ambassadors from all semesters and prepared them to counsel their fellow-mates in turn.
- Our psychologist Dr. Preeti Tiwari played a very important role and conducted counselling sessions with many students.
- Many types of work of social contribution was done by students during pandemic such as - distribution of masks and help in creating awareness of social distancing, on highways the students of civil defence helped home guards and police personnel to maintain lockdown, performed duties in containment zones, also

helped in RT-PCR testing centers, in creating awareness among people towards importance in getting vaccinated.

- We also arranged for a vaccination camp in college. A total of 105 people were vaccinated in one day.
- Head of Sociology Department Dr. Dinesh Kanzaria participated in National Para-Swimming Championship 20-21 at National Level, Bangalore and won Silver Medal in 100 meters event and Bronze Medal in 50 meters back-stroke event.
- NCC care-taker and officer, Ms Poonam Zala undertook 3-months training from 7th February to 7th May at Gwalior to become Associate NCC Officer.

DEPARTMENTAL ACTIVITIES
