Greetings from Naandi Foundation's Mahindra Pride Classroom!

Naandi Foundation - Naandi, in Sanskrit, is a 'new beginning,' is one of the largest and fastest-growing social sector organizations in India working to make poverty history. Founded in November 1998 as a Public Charitable Trust, Naandi was born to fulfil the need for a professionally run organization in the social development sector of India. Governed by eminent business leaders as life trustees, Naandi is a novel functional model.

Naandi has showcased successful large-scale delivery of public services such as:

- **Skilling and employment for youth**
- Elementary education with positive discrimination against girls
- Early childhood development, including tackling malnutrition amongst children
- Large scale cooperative irrigated farming in dryland areas
- End-to-end sustainable agriculture in tribal areas

You can learn more about Naandi at www.naandi.org

Towards the vision to develop 21st-century competencies to empower and equip youth for employment and lifelong learning, Naandi Foundation has expanded its footprint year on year across 20 states through **Mahindra Pride Classroom** training programs impacting the lives of more than 700000 youth, ensuring zero cost to our beneficiaries. In the efforts to mainstream socially and economically disadvantaged youth through skill-development training, the program introduces modular training in life, language, and aptitude skill which are designed for students enrolled in government/government-aided vocational colleges and institutions for which Mahindra Pride Classroom has partnered with more than 3600 institutions since its inception in 2016. Under this initiative, specially selected and skilled Adjunct faculty deliver skill-based training that helps the youth to build competencies that meet the industry's expectations.

As we believe empowering girls in today's world is much needed to lead their personal and career life more confidently, MPC training frameworks are meticulously designed to impart Future Skills that help them to emerge as critical thinkers, independent learners, and responsible decision-makers experiencing a personality shift essential for them to pursue successful careers in the sectors of their choice.

Thus we request your support to train female students from your College in the training program listed below that would benefit them.

Principal
Shri Meghmani Parivar and
Shri Bhailalbhai A. Patel (Detrojwala)
