Subject: Report on English Language Training for B. Com Gujarati Medium Students

Date: 17/10/23

From: Dr. Elizabeth Christian (Trainer) **Email:** christian.elizabeth@live.in

Introduction:

It is with great enthusiasm that I submit this report on the completion of the English Language Training Program designed for the B. Com students from Gujarati mediums, held at Umiya Arts and Commerce College for Girls. This initiative started by the principal, **Dr. Sangeeta P. Ghate** and coordinated by **Shri Ghanshyam Patel**, was conducted over eight days (9/10/23 to 17/10/23), with each session lasting for 90 minutes from 11:00 AM to 12:30 PM.

Program Overview:

The primary objective of this training was to enhance the English language proficiency of our students, focusing on key areas that are fundamental for their academic and future professional success. The program was structured to cover a broad spectrum of topics, as detailed below:

1. **Sentence Structure - Types of Sentences**
2. **Present Tense**
3. **Introduction to English Language**
4. **Nouns**
5. **Verbs**
6. **Conjunctions**
7. **Prepositions**
8. **Articles**

Attendance and Participation:

The program was well-received, with a total enrolment of 100 students. Attendance was commendable throughout the eight days, indicating high levels of interest and commitment among the participants. Active participation was encouraged and achieved, with students engaging in various interactive activities designed to reinforce the lessons.

Teaching Methodology:

A blend of teaching methodologies was employed, including direct instruction, collaborative learning, and practical application examples. These methods were chosen to cater to diverse learning styles and ensure comprehensive understanding. Key strategies included:

- **Interactive Sessions:** Encouraging students to engage in dialogues, role-plays, and group discussions.
- **Practical Exercises:** Applying concepts through speaking, writing exercises, presentations, and language games.

Outcomes:

By the end of the program, noticeable improvements were observed in students' understanding and application of the English language, particularly in the areas of sentence structure, verb usage, and the correct application of articles and prepositions. The students demonstrated enhanced confidence in constructing sentences and expressing ideas in English.

Challenges Encountered:

- **Varying Levels of Proficiency:** Students entered the program with differing levels of English proficiency, requiring adaptive teaching strategies to meet everyone's needs effectively.
- **Time Constraints:** The limited duration of the program posed a challenge in covering extensive topics in depth.

Recommendations for Future Programs:

1. **Extended Duration:** Increasing the length of the program could provide more comprehensive coverage of topics and allow for additional practice sessions.
2. **Ongoing Support:** Establishing a follow-up mechanism or support group for students to practice and refine their language skills post-training.
3. **Advanced Modules:** Designing subsequent modules for advanced topics and business English to further students' language development.

Conclusion:

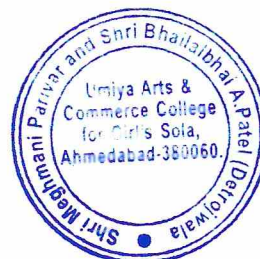

The English Language Training Program has laid a solid foundation for our students to build upon. Their enthusiasm and progress over the course of the program have been inspiring. With continued practice and support, I am confident they will achieve greater proficiency in English, which will significantly benefit their academic pursuits and future career opportunities.

I extend my gratitude to the principal, **Dr. Sangeeta P. Ghate** and **Shri Ghanshyam Patel** for their support and coordination, making this program a success. I look forward to the opportunity to contribute further to our students' linguistic development.

Sincerely

Elis

Subject: Report on English Language Training for B. Com English Medium Students

Date: 21/2/2024

From: Dr. Elizabeth Christian (Trainer) **Email:** Christian.elizabeth@live.in

Introduction:

I am pleased to present this report upon the successful completion of the English Language Training Program tailored for the B. Com students of Umiya Arts and Commerce College for Girls, conducted under the coordination of the principal, **Dr. Sangeeta P. Ghate and Shri Ghanshyam Patel**. This eight-day program was exactly designed to reinforce and advance the English language skills of the students, focusing on critical linguistic components crucial for their academic and future professional endeavours.

Program Overview:

The curriculum was strategically developed to cover essential English language topics, ensuring a comprehensive approach to linguistic enhancement. The topics covered during the program were:

1. **Sentence Structure - Types of Sentences**
2. **Present Tense**
3. **Introduction to English Language**
4. **Nouns**
5. **Verbs**
6. **Conjunctions**
7. **Prepositions**
8. **Articles**

Attendance and Engagement:

100 enthusiastic students were enrolled and had a strong interest in improving their English language skills. Attendance remained consistently high throughout the eight sessions (13/2/24 to 21/2/24), each running from 11:00 AM to 12:30 PM, reflecting the student's dedication and eagerness to learn.

Teaching Methodology:

To cater to the advanced level of understanding typical of English medium students, we employed a range of dynamic and interactive teaching methods. These included:

- **Interactive Lectures:** Emphasizing critical thinking and application of concepts through class discussions and Q&A sessions.

- **Practical Applications:** Facilitating language use in practical contexts, such as language songs and games.
- **Peer Learning:** Encouraging students to engage in peer reviews and collaborative learning through videos and content to practise, fostering a supportive learning environment.

Outcomes:

Participants demonstrated significant progress in their command of the English language, particularly in their ability to construct compound sentences, use tense appropriately, and apply grammatical rules in writing and speaking. The focused attention on specific linguistic elements like nouns, verbs, conjunctions, prepositions, and articles resulted in a marked improvement in students' writing clarity and verbal expression.

Challenges and Solutions:

- **Diverse Proficiency Levels:** Despite all being English medium students, variances in proficiency levels were observed. Tailored exercises and differentiated learning strategies were employed to address this.
- **Engagement in Advanced Topics:** To maintain interest in seemingly familiar topics, innovative teaching methods and real-life application examples were introduced.

Recommendations:

1. **Continued Learning Opportunities:** Encourage students to participate in advanced workshops and seminars to further their language skills.
2. **Incorporate Technology:** Leverage digital tools and online platforms for ongoing language practice and exposure to diverse linguistic content.

Conclusion:

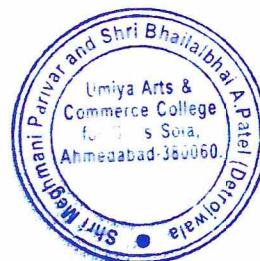

The English Language Training Program has significantly contributed to enhancing the linguistic capabilities of our B. Com students. Their active participation and the progress observed serve as a testament to the program's success. With sustained practice and engagement, I am confident these students will continue to refine their language skills, thereby enriching their academic journey and opening up broader career pathways.

I wish to express my gratitude to the principal, Dr. Sangeeta P. Ghate and Shri Ghanshyam Patel for their unwavering support throughout the program. I look forward to further opportunities to contribute to the educational advancement of our students.

Sincerely

Elson

Trainer's Report

To: Dr. Sangeeta P. Ghate
Principal, Shri Umiya Arts and Commerce College for Girls

Subject: Report on Topics Covered for B.A. Students

(27/3/24 to 12/04/2024)

Date: 6/04/2024 **From:** Dr. Elizabeth Christian (Trainer)

Email: Christian.elizabeth@live.in

Introduction:

I am pleased to present this report upon the successful completion of the English Language Training Program tailored for the B. Com students of Umiya Arts and Commerce College for Girls, conducted under the coordination of the principal, Dr. Sangeeta P. Ghate and Shri Ghanshyam Patel. This eight-day program was exactly designed to reinforce and advance the English language skills of the students, focusing on critical linguistic components crucial for their academic and future professional endeavours. This report provides an overview of the topics covered for the Bachelor of Arts (B.A.) students during the period from 27th March 2024 to 12 April 2024.

Summary of Topics Covered:

1. Sentence Structure - Types of Sentences:

- Students were introduced to different types of sentences, including declarative, interrogative, imperative and exclamatory sentences.
- Emphasis was placed on understanding the structure and purpose of each type of sentence.

2. Present Tense:

- The concept of present tense in English grammar was discussed.
- Students learned about the formation of present tense verbs and their usage in various contexts.

3. Introduction to English Language:

- An overview of the English language, including its level- Beginners (A1 & A2), Intermediate (B1 & B2)

and Advanced (C1 & C2) and global significance was provided.

- Students explored the characteristics and functions of English as a language.

4. Nouns:

- The fundamental concept of nouns and their role in sentence structure was covered.
- Different types of nouns, such as common nouns, proper nouns, and collective nouns, were introduced and explained.

5. Verbs:

- Students learned about verbs as action words and their function in expressing actions, states, or occurrences.
- Various verb tenses and forms were discussed, with a focus on present tense during this period.

6. Conjunctions:

- The role of conjunctions in joining words, phrases or clauses in a sentence was explored.
- Students were introduced to different types of conjunctions, including coordinating, subordinating, and correlative conjunctions.

7. Prepositions:

- The concept of prepositions and their usage in indicating relationships between words in a sentence was covered.
- Examples and exercises were provided to help students understand the correct usage of prepositions.

8. Articles:

- Students were introduced to the concept of articles (definite, indefinite and no articles) and their role in specifying or generalizing nouns.
- Rules regarding the usage of articles in different contexts were discussed and practiced.

Outcome: During the period from 27th March 2024 to 6th April 2024, the Bachelor of Arts (B.A.) students at Shri Umiya Arts and Commerce College for Girls received comprehensive instruction on various fundamental aspects of English language and grammar. The topics covered included sentence structure, types of sentences,

present tense, introduction to the English language, nouns, verbs, conjunctions, prepositions, and articles. Through these sessions, students gained a better understanding of the building blocks of English grammar, which will serve as a strong foundation for their language skills.

Challenges and Solutions:

1. **Diverse Learning Styles:** One of the challenges faced was catering to the diverse learning styles and comprehension levels of the students. Some students may grasp concepts quickly, while others may require additional support and reinforcement.
 - **Solution:** Implementing a variety of teaching methods, such as visual aids, interactive activities and group discussions, can accommodate different learning preferences. Providing supplementary materials and offering one-on-one assistance to struggling students can also address individual needs effectively.
2. **Time Constraints:** With a limited timeframe for covering multiple topics, there was a challenge in ensuring thorough understanding and retention of the material within the allotted period.
 - **Solution:** Prioritizing key concepts and focusing on essential principles allowed for more efficient use of time. Breaking down complex topics into smaller, manageable segments and incorporating regular reviews and assessments helped reinforce learning and mitigate the impact of time constraints.
3. **Language Proficiency Levels:** Some students may have varying levels of proficiency in English, posing a challenge in maintaining an inclusive learning environment where all students can actively participate and comprehend the material.
 - **Solution:** Providing additional support for students with lower proficiency levels, such as offering supplemental resources, language assistance sessions, and encouraging peer collaboration, can help bridge the gap and ensure that all students can engage meaningfully with the material.

Recommendations:

1. **Continued Practice and Reinforcement:** Encourage students to practice applying the concepts learned through regular exercises, assignments, and practical activities.

Incorporating real-life examples and scenarios can help reinforce understanding and application of grammar rules.

2. **Utilization of Technology:** Integrate technology resources such as online grammar tools, interactive multimedia presentations, and educational apps to enhance learning experiences and engage students in self-paced learning.
3. **Encourage Active Participation:** Foster a supportive and interactive classroom environment where students feel encouraged to ask questions, participate in discussions, and contribute their perspectives. This promotes active learning and deeper engagement with the material.
4. **Feedback and Assessment:** Provide constructive feedback on students' progress and performance, and offer opportunities for self-assessment and peer evaluation. Regular assessments can help gauge understanding and identify areas for improvement.
5. **Professional Development:** Support faculty members in staying updated with the latest teaching methodologies and resources through professional development workshops, seminars, and training sessions focused on effective English language instruction.

Conclusion:

The topics covered during this period aimed to provide students with a strong foundation in English language skills, including grammar and composition. By understanding the fundamental elements of sentence structure, students will be better equipped to communicate effectively in both spoken and written English.

I wish to express my gratitude to the principal, Dr. Sangeeta P. Ghate and Shri Ghanshyam Patel for their unwavering support throughout the program. I look forward to further opportunities to contribute to the educational advancement of our students.

Sincerely

Dr. Elizabeth Christian
