Annual Report 2021-2022

DR. SANGEETA GHATE
PRINCIPAL

COLLEGE AT GLANCE

Shree Meghmani Parivar and Shree Bhailalbai A. Patel (Detrojwala) Umiya Arts and Commerce College for Girls has long been recognized as a premier institution of higher learning for Girls in Gujarat and has been constantly ranked as one of the top 3 colleges in Gujarat in nationwide polls. We have not just kept pace with the changing world but have played important role in training, moulding, shaping and transforming students. Umiya college was established in 1998 in Ahmedabad by Shri Umiya K.V.C. education trust. It provided safe haven for girls from conservative families who would otherwise not get quality education. Today girls flock to the college from not just from Ahmedabad but from 18 districts of Gujarat.

The vision is to empower young girls to be leader and change agents, to sensitize students to using the privilege of their higher education as a resource for the community. Today, our students are leading in academics, extra-curricular, NSS activities, NCC and sports.

In the challenging times of pandemic we had blend of online and offline learning. E-learning paired with traditional learning experience which makes classroom blended. Gradually we successfully completed the transition back to offline education. Umiya's accomplishments have been possible because of my faculty members and college professionalism and total dedication to the institution.

Dr. Rameshbahadur Singh Kshatriya retired this academic year. I would like to thank him for his long and committed services to institution. I would like to mention the

immense contribution of our administrative staff. I would like to thank last year's student parliament for outstanding leadership throughout the year.

Umiya college is fortunate to have a generous president of the trust Shri. Babubhai J. Patel whose unwavering support for the college has been crucial in all endeavours. I would also like to express gratitude to our executive council of the trust.

I would like to conclude by saying that we will strive to remain an enlightened place for learning.
