**Overview of our college**

With the motto of women empowerment and providing quality education, Shree Meghmani Parivar and Shree Bhailalbhai A. Patel (Detrojwala) Umiya Arts and Commerce College for Girls has been expanding its horizons, spreading its wings and embracing new opportunities. Our college is celebrating its 25<sup>th</sup> year of successful accomplishment this year.

Shri Umiya K.V.C. Education Trust established Umiya Arts and Commerce College in Ahmedabad in 1998 – with the mission to empower girls of rural and semi-urban areas, who are deprived of opportunity for higher education.

Our college emphasizes on holistic learning through community based activities and is not mere a platform for academic achievements. It is a perfect blend of traditional Indian values and modern advancements. The campus is always full of life with numerous co-curricular and extracurricular activities. The students are properly guided and channelized into the main stream with tireless efforts of our faculty members. The institute is an endeavour to provide exposure to the students who are highly ambitious and focused. Along with academics, the students are free to choose any activities among sports, cultural pursuits, NCC or NSS to follow their passion giving chances to recognize their potential.

The institution is thoroughly dedicated to convert its goal into reality. The innovations and quality improvements are stimulated. Learning is made more student-centric by stressing proficiency in English, vocational skills, personality development, career guidance, placement training, social welfare, and community engagements with the use of contemporary teaching and learning methods.

## Expression of Gratitude

Umiya Arts and Commerce College for Girls is extremely fortunate to have a generous president-Shri. Jayantibhai Patel, whose whole-hearted support for the institution is remarkable, and we are grateful to him for his kind deed. I would like to extend my gratitude to our Trust's executive council for their support and guidance. I would like to sum up by noting that we are dedicated and showing progressive improvement in all facets, which will lead to an enlightened learning institute in the future.
