 **History**

For the deaths of 188 his brother  
chals. The famous warrior who was always at home.  
The knuckle of the revolution was the last word. He  
believed in the doctrine of the divine right of the  
king. The children were a sleep. He used to say that  
“like a king of England. I prefer wood graze more  
then to rule shall do it.” To revisit the archaic order.  
It was all too easy to do. He was a strong consequence  
of all greatness. The public counted as much as this  
new king aristocrat. People respected him equally.  
Actually charge the most reactionary fates of Asham  
and feudal churches. And his overwhelming partiality  
for the poorer classes prompted him. He brought up  
the statue of the revolution.

# \*Reasons of french 1830 revolution

- 1) The tenth was a typical quotation of the king. Knuckles of divine principle and the knuckles of human rights. He was against. She has pulsating human expression on the got banned. So not only did he, in the power of the church, began to reunite, discuss right to education was returned to pure anti catholic. The unwanted teachers were removed.....
- 2) Chal's dasham in the name of protecting the interests of the nobles. Compensation for the economic compensation incurred during the revolution. For huge sum of money. It's fulfillment in the she national pledge rate of interest to 5 per cent plus 4 And made arrangements. Middle class from this function of government and I gave it to you.
- 3) Four ordinances were issued by chaise. Finally the feeling of incontinence reached it's zenith. The ordinance was
  - The house of representatives was dissolved.
  - Freedom of press was celebrated.
  - Voting rights have been restricted.
  - The meeting period is due.

This ordinance created antagonism all round. About the school. Increased concentration of children. He went away. This revolution was achieved by the leader of the age-old. Crush daam to throne due to protest get a new one. On your own. Anniversary sides of count of chembolde. I gave up the throne and fled England. Enact thus the government was successful and chal son came to an end. France key public adopted king to this heir\* of hellfire dusem not accepted but lain of alion's lu king is redesigned for philip.

# \*Result of French 1830 Revolution

There was a change of authority in the prince. Places of family of baban prasa. But aristocrats part was established. Like the philip of france not as governments, but governments of the french community like this own. Wars on divine principles and not on moral principles. Democracy was established on the sanctioned constitution of the people.

The middle class won. The aristocracy won the middle class, eschewing the defects of the aristocratic declaration. And the rule of the black and the angry gentry ended. It was this class who conducted the great crisis of 1789. And that is exactly what grade 14 brought together the increasing impact of workers had defend rights.

It was this group that conducted the great work of 1789 And it was this group. He had protected me. The last word from the beer of 1815 to 1830. This class's interest will be maintained by the expert group of people. The paper became a waste so the middle class came up, puna strangers. Was active in the defence of. He made reactionary regimes forced to flee and flatter the enchanting darg And the government's accession to its story.

An emergency to  
the chain mechanism to effect on  
certain yearp And then I reached her.  
This cryoti democratic movement  
pervaded Europe. He was encouraged.  
Probably the most important thing is :  
Wide range of matriarchal defeat.  
Qkati paved the way for religious  
freedom, equality.
