Summary of the Activity

The workshop on 'Career Guidance' was organized on 2nd August, 2016 at our institute. In the inaugural function the speaker, the principal along with the faculty members were present.

In the first session, the speaker asked the students to make the right choice of career by getting expert guidance. He also insisted that quality career guidance is the first step towards a successful career.

In the next session, his lecture highlighted personal interaction based counseling through discussion. He asked the students to get personalized career guidance by professional counselors.

After the post lunch session, the speaker asked the students to focus on the available courses after Standard 12 like Bachelor in different fields. He also described the advantages of career guidance which includes set objective for greater results, discards confusion, get to know the availabilities, determine strengths and weaknesses, support and motivation etc.

In the concluding session, the speaker focused on career planning which helped them to grow. He also explained to have a realistic and structured career plan. The speaker also presented a successful career path which lead them to a stable work environment, balanced life and reduced stress levels.
