In the inaugural session the coordinator Prof. Dr. Dinesh Kanzariya welcomed all the toppers from other Arts colleges of the Gujarat University. The Confluence included an insightful conference to showcase perspective sharing and knowledge assimilation of best practices from the Achievers.

In the first session the toppers discussed about the secret of success. They asked the participants to organize a space, practice previous years' papers, form a study group and to take regular breaks to concentrate more. In the other session, they discussed about the planning and execution of timetable to prepare for the exam.

After the lunch break, the Principal gave an inspirational speech where she mentioned the importance of education and many more. The faculties from other institutions also imparted their views on tips of success.

The last session concluded with discussion. This seminar was attended by 70 students. The highlight of the seminar was the galaxy of toppers who showed their continuous energy for hard work, precious knowledge and experiences.
