Name of the Speaker	:	Prof. Dr. Gurudatta Japee
Topic of the Activity	:	How to Prepare for NET, JRF
Number of Participants	:	200

## Summary of the Activity

On 15<sup>th</sup> February, 2018 at our college campus, a workshop on “How to Prepare for NET, JRF” was organized. In the inaugural function the principal and the faculty members along with the participants were present.

In the opening session, the speaker discussed about the candidates’ eligibility for JRF. He explained about Computer Based Test and online Mode by NTA to determine the eligibility.

In the second session he shared tips for the preparation of NET & JRF. He further discussed that the test aimed at assessing the teaching and research aptitude as well as their awareness. The candidates were expected to possess and exhibit cognitive abilities and to have a general awareness and knowledge of sources of information which includes Teaching Aptitude, Research Aptitude, Reading Comprehension, Communication and Mathematical Reasoning.

In the third session, he asked to follow a proper strategy and timetable for all the sections of question papers. He insisted to improve speed and accuracy to solve previous years’ papers and to focus on weakness and spend more time to improve the mistakes.

In the concluding session, the participants had an interaction with the speaker. The workshop was attended by 200 participants. The highlight of the workshop was the speaker who shared his views and imparted his knowledge.
